Rc.No.730 K2/49 dated 15-10-49

Sir,

Sub:--Colleges--Government College, Mangalore--Starting of new courses--1950-51

In continuation of my letter Rc.No.730 K2/49 dated 20-9-4 submitting proposals for starting of new courses of study in the Government College, Mangalore in connection with Part II of the Budget Estimate for 1950-51, I have the honour to request that the Government may be pleased to accord their approval for the further affiliation of the College in Urdu for Part II of B.Com (Pass) Course with effect from 1950-51. This step is considered necessary as the students taking Hindi in the Intermediate cannot take the same language in B.Com (now there is provision for Hindi only for Part II of B.Com Course) under the regulations of the University. This proposal is quite desirable and it does not involve any additional cost to Government except payment of an affiliation fee to the University. The staff proposed already for Part I Urdu in Intermediate and B.A. will be adquate for Part II Urdu in B.Com course also.

Yours faithfully,

For Director of Public Instruction

MINISTER FOR EDUCATION
GOVT. OF MADRAS

We, the General Public of Mangalore at a Public Meeting held on 27th November at 10-30 a.m. with Sri A. Shanker Alva, B.A., B.L., in the Chair, do hereby resolve to represent to Sri K. Madhava Menon, Minister for Education, Government of Madras, that the introduction of Urdu and Arabic in the local Government College under Pt. II in the Intermediate, B.A., and B.Com. courses is a pressing need of the people of the District and to request the Government to appoint an Asst. Lecturer in Urdu and Arabic and make the necessary arrangements for the introduction of the Languages atleast from June 1950.

GOVERNMENT OF MADRAS

ASST. SECRETARY TO GOVERNMENT
EDUCATION AND PUBLIC HEALTH DEPT.

We record our deep sense of appreciation of the recent changes in the outlook and attitude of the Government with regard to the place of Urdu in this Province. The Language which had once been ordered to be replaced with Kannada as the medium of Instruction in Urdu Elementary Schools has now been permitted to be continued as the medium of instruction. The Hon'ble Minister for Education, Sri K. Madhava Menon, went so far as to reply to Begum Mir Ameeruddin in the Assembly on 10-11-1949 that provision would be made to teach through the medium of Urdu or any other Language which the child claims to be his mother language even if there are only 10 such pupils in a class of 30. The Government have also ordered that Urdu shall be one of the Second Languages to be studied in the High Schools under the reorganised Scheme of secondary Education, thus assigning to the language its rightful place in the curriculum of studies. The Director of Public Instruction was pleased to promise to a deputation which waited on him during his visit to Mangalore on 27-9-1949 that Urdu would be introduced in the local Government High School for Girls from June 1950. We feel gratified for this change of out-

look and are led to believe that we will not be asking for too much if we demand that the same attitude be continued to Urdu in the College.

Apart from the need for Urdu in the College is the keener for the non-Muslim students who study Hindi in the Intermediate and proceed to B. Com. Course where they have to select under Part II, a language, other than the one they studied in the Intermediate. It would be far easier for them to study Urdu where they have only to learn the script than to study a totally foreign language - for Urdu and Hindi are ~~kakx~~ akin to one another in Grammar, Syntax, Prosody, etc. Thus if Urdu is introduced in the College, it would go a long way in relieving the burden of the student

In this connection we beg to represent that Urdu be regarded not as a language of any particular community but as a Language of Culture. It has been the language of a large section of the Indian people and expresses their doubts and difficulties, their joys and struggles and their hopes and aspirations. Eminent non-Muslims like Munshi, Premnath have enriched the Language through their contributions to it. The Hon'ble Prime Minister of India, Pandit Jawaharlal Nehru speaks chaste Urdu. Sir T. B. Sapru claimed Urdu as his mother-tongue. There are hundreds of Muslims who have mastere the language and enriched it too. It may be regarded as one of the Languages of India and a common heritage of the people.

Hence, it is hereby resolved that in the light of the facts explained above the Government be requested to make early arrangements to introduce Urdu in the Government College, Mangalore, under Part II in the Inter, B.A., and B.Co Courses and an Assistant Lecturer be appointed for the purpose

Further resolved that copies of this resolution be

communicated to:-

1. The Vice-Chancellor, Madras University.
2. The Director of Public Instruction, Madras.
3. The Principal,Government College, Mangalore.
4. Begum Mir Ameeruddin, M.L.A., Madras.
5. Haji H. S. Hussain Saheb, M.L.A., Madras.
6. Dr. U. P. Mallya, M.L.A., Madras.
7. Janab Haji L. S. Schamnad, M.L.A., Madras.

We beg to remain,

Sir,

Yours faithfully,
